

INDIAN INSTITUTE OF TECHNOLOGY GANDHINAGAR

DUAL APPOINTMENTS OF FACULTY

(As approved by the BoG in its 13th meeting held on 14 March 2014)

The Board of Governors of the Institute in its 13th meeting held on 14 March 2014 approved the following mechanism for dual appointment of faculty members.

- a) Faculty members will continue to be selected for specific discipline/ department.
- b) The Standing Committee of the Institute for the faculty affairs can provide the faculty, based on his/ her interest and merit, a joint association with another discipline/ department for a given period (say five years).
- c) This association can be reviewed every 5 years for further extension.
- d) The faculty member may not get additional remuneration for this association but will be expected to participate in teaching, research and service activities of both the disciplines/ departments.

The Standing Committee on faculty affairs considered the above decision of the Board and decided on the following implementation mechanism:

- a) Applications be invited from those faculty members, who are interested in joint appointments in other disciplines stating the proposed contributions in teaching and research by a certain date (August 15, 2014 in the first instance).
- b) Applications received for joint appointments be referred to the concerned disciplines for feedback.
- c) The applications along with feedbacks received are to be considered by the Standing Committee for final decision.
